

Financial Policy

Our office expects payment at the time of service.

We require patients to maintain an active credit, debit, or HSA card on file for the purposes of billing. This information will be maintained along with your demographic information in our secure records system. If you need to change your method of payment, please let us know at the time of your appointment.

Dr. Lodhi is not contracted with any insurance plan, including Medicare and Medicaid. We have partnered with Reimbursify to help you if you wish to seek out-of-network reimbursement from your insurance company.
